### Seeing your Life through the Lens of the Gospel

1. The story is a story of abundance, the abundance of the blessings God gives us. How have you been aware of the abundance of God's blessings? Let the memories lead you to prayer of thanks and praise for the times in your life when that joy and fulfilment have been very real to you.
2. The *hour* of Jesus had not yet come when the glory of God would be fully revealed, yet even so something of the glory of God was revealed in the sign that took place. For us also the revelation of the full glory of God lies in the future, but we do get glimpses along the way. Recall some of the *signs* that have revealed to you something of the glory of God, e.g., nature, art, friendship, etc.
3. Mary/Jesus. It is interesting to note that despite the apparent rebuff, Mary is the first person in the narrative to show (at the level of the action of the story) that the correct response to the presence of Jesus is to trust in him. When have you trusted in the word of Jesus like that? What relationships do you have that you can trust like that? Do you recall times when your trust was rewarded even when you had been initially disappointed? @ Intercom

GUIDANCE TO CHURCHES – Safety Omicron Wave

- **Please stay at home if you have a cough, are sneezing or unwell.**
- **Masks to be worn (including and especially when Congregation sings);**
- **Social distancing**
- **Refrain from physical interaction where possible**

Please get your booster shots as soon as you can. Please don't listen to the misinformation around, especially from social media (some of it given out by misguided people). Rather, let's listen to Pope Francis:

"I believe that morally everyone must take the vaccine. It is the moral choice because it is about your life but also the lives of others. I do not understand why some say that this could be a dangerous vaccine... We have realised that we are on the same boat, all of us fragile and disoriented, but at the same time important and needed, all of us called to row together, each of us in need of comforting the other."

As of today, 5.33 million people have died from COVID-19, so we must do all we can to stop illness, stop the pressure on our NHS, and stop unnecessary deaths. May the best Christmas present we can give anyone this year is to take our moral and Catholic duty so seriously that our actions in regard to this virus demonstrate that we love neighbours as we love ourselves. @ Fr Richard Leonard SJ
