### NOVEMBER...THE MONTH OF THE HOLY SOULS

**CHERISH THE MEMORY...**Our Catholic Faith teaches us to cherish the memory of our dead. It urges us to commune in prayer, especially at Mass, with the souls of those we loved while they walked this Earth. We are continually reminded that "life is changed, not ended.

**THE GOD OF LOVE...** It is our belief that at the moment of death, we will experience our ultimate encounter with the God of Love. In this encounter we will experience God more vividly than ever before because our spirit will be free of all human constraints. For some this will be a very painful encounter because they will see their faults magnified in contrast with the goodness of God. Many believe that the pain of this encounter constitutes the essence of the doctrine of Purgatory. To own up to one's selfishness and meanness can be very painful, as we all know. To do so in the presence of Holiness Itself must constitute the ultimate purification.

**FULL OF HOPE AND LOVE...**During the month of November, we will offer our Masses for the Holy Souls. As Christ commanded that the Mass be offered at all times so that the meaning of His death would never be forgotten, so we offer Mass for our dead in the sure and certain knowledge that, because of Christ's death, they have eternal life. Our Catholic devotion to the Holy Souls, far from being morbid, is actually full of hope and love. It speaks to something very deep within us, where spirit communes with spirit, whether we realise it or not.

**COMMUNION OF SAINTS...** We will place the names of those submitted to us in remembrance at these Novena Masses on a box by the altar. We will pray for them and ask them to pray for us. We will live the doctrine of the "Communion of Saints."

**All Souls Envelopes are available at the back of the church. Please write the names of your deceased relatives and friends on a piece of paper and place the envelope in the baskets after Mass when you collect your newsletter. Or you can bring it on Sunday when you come to Mass.**

### **Seeing your Life through the Lens of the Gospel John 17:11, 17-23**

1. In his prayer Jesus, asserts that eternal life consists in knowing God and Himself as one sent by God. We receive this life through hearing the word of God spoken to us by Jesus, receiving it, and believing in it. Bring to mind times when accepting and believing the words of Jesus was a source of life to you.

2. Jesus prayed that those who believed his word would be protected in time of trial. How have you experienced Jesus as a protector in life?

3. Jesus prayed that his followers would be one, something unfortunately still far from a reality. Perhaps you have experienced both the pain of division and the joy of unity. Recall times when you felt a deep unity with others. What lessons did you learn from the experience?

4. As Jesus was sent into the world by the Father, so he in turn sends us into the world. At this moment in your life, what do you see as the practical consequences for you of this mission from Jesus?
