### Lens of the Gospel John 12:20-30

1. The parable of the grain of wheat reminds us of a truth that any parent can testify to, namely that it is in dying to ourselves that we can give life to others. We will never be of benefit to others if we remain wrapped up in ourselves. In what ways has your dying to yourself brought life to another? How has the generous giving of another brought life to you?  
2. Sometimes our emotions rebel at the thought of what lies ahead and we feel like praying *Father, save me from this hour*. Then a realisation may come for you as a parent, a teacher, a spouse, a friend: *No, it is for this reason that I have come to this hour*. Recall times when you have accepted pain or hassle and been a source of life to others for doing so.  
3. The story presents the death of Jesus as the moment of his glorification by God. We are also *glorified* when the grace of God enables us to give generously of ourselves. When have you experienced this in yourself or in another?  
4. *This voice has come for your sake and not for mine*. The angel spoke that we might recognise the love being shown us by Jesus. Sometimes it requires the voice of another to draw our attention to love that is being offered to us. When was this your experience?
