FAMILY LIFE

Christmas celebrates the Incarnation, the “en-fleshment” of God as a human person. In Jesus, God is bodily present in the human story. Today we honour the Holy Family, helping us to see that God is active in daily family life. God is near at hand, amidst the tensions, joys, and uncertainties of family life. As our Gospel passage describes, even with family miscommunications and with limited understanding of Jesus’ mission, the Holy Family persevered in their life together. Like many family conflicts, there was no immediate or clear resolution of the issues raised by Jesus and by Mary. God’s intentions for the family, and for Jesus, were still unfolding. They continued to stay connected with each other and with God. Within the turbulence of family life, they trusted God to actively sustain and guide them into an uncertain future. We are invited to follow their example.

GUIDANCE TO CHURCHES-DECEMBER 2021 – Safety This Christmas

- **Please stay at home if you have a cough, are sneezing or unwell.**
- **Masks to be worn (including and especially when Congregation sings);**
- **Social distancing**
- **Refrain from physical interaction where possible**

Please get your booster shots as soon as you can. Please don't listen to the misinformation around, especially from social media (some of it given out by misguided people). Rather, let's listen to Pope Francis:

"I believe that morally everyone must take the vaccine. It is the moral choice because it is about your life but also the lives of others. I do not understand why some say that this could be a dangerous vaccine... We have realised that we are on the same boat, all of us fragile and disoriented, but at the same time important and needed, all of us called to row together, each of us in need of comforting the other."

As of today, 5.33 million people have died from COVID-19, so we must do all we can to stop illness, stop the pressure on our NHS, and stop unnecessary deaths. May the best Christmas present we can give anyone this year is to take our moral and Catholic duty so seriously that our actions in regard to this virus demonstrate that we love neighbours as we love ourselves. @ Fr Richard Leonard SJ
